The company providing your windstorm insurance is changing

[TAKEOUT COMPANY] will assume full responsibility for your wind and hail insurance policy from the Texas Windstorm Insurance Association (TWIA) on March 1, 20__.

If you prefer to keep your coverage with TWIA, complete and sign the TWIA Opt Out Form you received in the mail and return it by January 31, 20__. Your insurance agent can also select the opt-out option for your policy on the TWIA website.

Your insurance agent for this policy will not change when your policy moves to [TAKEOUT COMPANY].

If your policy expires on or after May 1, 20__, [TAKEOUT COMPANY] will issue a replacement policy that provides comparable coverage and rates.

If your policy expires between March 1 and April 30, 20__, TWIA will renew your policy for one year, but [TAKEOUT COMPANY] will be liable for your coverage. Future renewals will be issued by [TAKEOUT COMPANY] with coverages and rates that are comparable to your TWIA policy. This change was approved by the Texas Department of Insurance.
