Policy Number: TWIA-00000000-00
Property Location: Insured Address 2, Insured Address 3

Dear Policyholder,

Company Name is interested in providing your windstorm and hail coverage. You will receive a letter from Company Name offering to assume your Texas Windstorm Insurance Association (TWIA) windstorm insurance policy. This means that Company Name would take over your TWIA policy and would be your windstorm insurer instead of TWIA, if you take no action.

To Transfer Your Policy to Company Name

If you want Company Name to be your new windstorm insurance carrier you do not need to do anything. Your policy will automatically transfer to Company Name, effective June 1, 20__.

To Keep Your Policy with TWIA

If you don’t want your coverage transferred to Company Name, then you must detach the form on page 2 of this letter, sign, and return to TWIA in the enclosed postage-paid envelope no later than May 31, 20__ to opt out of the proposed change. If you opt out, your windstorm coverage will continue to be provided by TWIA. TWIA will inform Company Name of your decision.
The offer to assume your policy is part of a program enacted by the 2015 Texas Legislature to encourage insurers other than TWIA to write windstorm coverage along the Texas coast. Under this program, **Company Name** will be required to do the following:

1. Continue to offer you rates and coverages comparable to TWIA for three renewal periods after your current TWIA policy expires. The premium is considered “generally comparable” if it does not exceed 115% of the TWIA premium for the same coverage.
2. Allow you to keep your current insurance agent.

**Company Name**’s participation in the program is not a recommendation by either TWIA or the Texas Department of Insurance (TDI) to transfer your policy. You will be receiving additional information directly from **Company Name**. Your participation in this program is completely voluntary.

Your agent **Agency Name** has been informed of this offer. For additional assistance, please call them at 0-000-000-0000, or call TWIA at 1-800-208-5948.

Sincerely,

Texas Windstorm Insurance Association
