

Linking a Policy in the TWIA Policyholder Portal

When you log in to the TWIA Policyholder Portal, you can access your policy/ policies, make payments, and file a claim from the landing page. You may also link any other TWIA policies to your account from this page. This job aid demonstrates the steps needed to link a TWIA policy to your account.

1. When you log in to the Policyholder Portal, you will land on the My Summary screen. From this screen, please select “Link a Policy.”
