# USING EFT OR ECHECK PAYMENT METHOD FOR POLICYHOLDER'S DOWN PAYMENT ON A TWIA PAYMENT PLAN

1. If you would like to make the first installment payment on behalf of the policyholder, you may use either EFT or eCheck to do so. The example below shows making an initial payment via EFT for the 10-Pay Plan. The policyholder will still need to enroll in Auto Pay to use the 10-Pay plan. Be sure to provide a valid policyholder email address (they will be sent a link directly) so they can set up their Auto Pay though the TWIA Policyholder Portal.
