Thanks to legislation passed this session (HB 3689) to reduce TWIA's expected reinsurance and premium & maintenance tax costs, TWIA's Actuarial & Underwriting Committee has recommended NO increase in windstorm insurance rates this year.

I urge you to adopt the recommendation of NO windstorm rate increase. Our mortgage with escrow has increased from \$1800 to \$2000 last year due to taxes and insurance increases. We cant afford another increase. Thank you.
