2 GENERAL INFORMATION

2.1 Introduction

The Texas Windstorm Insurance Association (“TWIA”) is an association of property insurers created pursuant to Chapter 2210 of the Texas Insurance Code. TWIA insures against losses due to windstorm and hail in certain designated areas of Texas. TWIA invites all qualified Respondents to submit proposals in accordance with the requirements outlined in this Request for Proposals (RFP). The purpose of this RFP is to obtain proposals from qualified Respondents for the accounting services described in this RFP.

This RFP contains the instructions governing the requirements for a proposal to be submitted by interested Respondents, the format in which the proposal is to be submitted, the material to be included in the proposal, the requirements that must be met to be eligible for consideration, the method of selecting a Respondent, and the Selected Respondent’s duties and responsibilities.

Respondents to this RFP are expected to provide TWIA with information and evidence that will permit awarding a contract in a manner that provides the best value to TWIA. Respondents should include in their written proposal all requirements, terms or conditions they may have, and should not assume that an opportunity exists to add such matters after the proposal submission. Unacceptable terms and conditions added by Respondents may cause TWIA to reject the proposal, despite other factors of the evaluation. As described below, this RFP is for accounting services related to the 2021 financial statement audits of both TWIA and the Texas FAIR Plan Association (“TFPA”). TWIA manages the operations of the TFPA.

2.2 TWIA Contact Person

The TWIA contact person identified below is the sole point of contact for this RFP. All communications concerning this procurement and the proposals must be submitted by email to:

Stuart Harbour
AccountingRFP@TWIA.org

Other than the above-named contact person, prospective Contractors or their representatives must not contact TWIA representatives or employees to discuss the contents of this RFP. The restriction shall not, however, preclude discussion between affected parties for the purpose of conducting business unrelated to this procurement.

The contact person at TWIA for day-to-day administration of the contract will be determined upon award. This individual may appoint one or more delegates to assist in the day-to-day administration of the contract and may notify Selected Contractor in writing of those delegates.

2.3 Submission Deadline

Responses to this RFP must be received before the hour and date specified on page 1 of this RFP. Late responses properly identified will be returned by email to Respondent unopened. Dates of receipt for

email responses will be the date shown as received by our system. In no event will TWIA be liable for responses delayed by email systems. Late responses will not be considered under any circumstances. TWIA reserves the right to evaluate responses submitted prior to the stated deadline as they are received.

To be entitled to consideration, Respondents proposals must clearly indicate that Respondents have available the necessary qualified personnel, skills, organization, and facilities to fulfill all the services required under this RFP and any resulting contract. Proposals must demonstrate familiarity and experience with the delivery of accounting services as described in this RFP.

Auditing Experience in the Insurance Industry. Respondent shall be a vendor who has provided auditing services for the insurance industry for a minimum of ten (10) consecutive years as of the date of this RFP, as evidenced by a description of prior engagements. This information must be submitted with the Respondent's Proposal, to be responsive to the "Experience" requirement under "General Background, Qualifications and Experience" (see RFP Section 9.6).

Qualified Key Staff. Respondent must have qualified key staff dedicated to the project. Respondent must specifically detail the qualifications, education, training, experience, and certifications of the key staff who will provide services under the Contract resulting from this RFP. This information must be described in the "Key Staff Qualifications" Section of the Respondent's Proposal (see RFP Section 9.8).

3 DESCRIPTION OF SERVICES/STATEMENT OF WORK

The Texas Windstorm Insurance Association (TWIA) is requesting sealed competitive bids/proposals for the accounting services described below. Selected Respondent will be responsible for performing all the services and for complying with all of the requirements of this RFP.

3.1 Annual Audit

The Selected Respondent will conduct audits in accordance with auditing standards generally accepted in the United States of America covering the financial statements of the two Associations for the year ending December 31, 2021. Statutory and GASB audit reports will be required for TWIA while only a statutory report will be issued for TFWA. Financial statements must comply with the accounting practices prescribed or permitted by the Texas Department of Insurance, National Association of Insurance Commissioners' Accounting Practices and Procedures Manual, Texas state law, Generally Accepted Accounting Principles ("GAAP") and Governmental Accounting Standards Board ("GASB") guidelines, as appropriate. Separate audit reports will be issued for TWIA with one based on accounting practices prescribed or permitted by the Texas Department of Insurance (Statutory Basis) and the other based on a GAAP/GASB Basis.

The results of this audit will be communicated in letter format to the Board of Directors. The auditor will also communicate any reportable conditions found during the audit and any recommendations for

correction and improvement in accounting procedures and internal controls. A reportable condition shall be defined as a significant deficiency in the design or operation of the control structure which could adversely affect the Association's ability to record, process, summarize and report financial data consistent with the assertions of management in the financial statements. Auditors shall be required to make an immediate written report of all irregularities and illegal acts to the Board of Directors. The auditor will be required to present their audit reports and any findings to the Board of Directors at meetings scheduled by the Associations in May 2022.

The auditor will be required to make working papers available to the Association and may be required to allow the State Auditor for Texas the opportunity to review the audit work and work products.

The audit results will be shared with the Board of Directors, Texas Department of Insurance, and possibly other entities for purposes of issuing securities or obtaining lines of credit. The audited statutory financial statements for both TWIA and TFPA are posted annually on the respective association websites.

3.2 Other Goods and Services

TWIA may request that Selected Respondent provide additional services throughout the term of any resulting contract. A contract amendment will be executed to reflect any additions or deletions of the services. Costs for any additional services associated with other miscellaneous or special projects must be negotiated by the parties.

3.3 Status Updates

The Selected Respondent shall be available to participate in discussions by telephone, virtual meeting or in person the status of the accounting work and other matters covered under the Statement of Work and Contract resulting from this RFP.

3.4 Quality Assurance Review

Selected Respondent must conduct a Quality Assurance review of all work performed under the resulting Contract.

4 CONTRACT TERM AND RENEWAL OPTIONS

The terms of any contracts resulting from this RFP shall be for the audits of TWIA's 2021 Statutory and GASB financial statements and TFPA's 2021 Statutory financial statements. TWIA and TFPA shall have the option in their sole discretion to renew any resulting contracts for up to four (4) additional one (1) year periods. In the event of such renewal, the scope of services, deliverable dates, and contract amounts may be negotiated.

4.1 Governing Law

The RFP and any resulting contract and work orders shall be governed, construed, and interpreted in accordance with the laws of the State of Texas (but not rules governing conflicts of law issues).

4.2 Venue

Any action or proceeding related to this RFP and any resulting contract and work orders shall be brought as a separate action in Travis County, Texas and venue is proper in only such county.

4.3 Respondent Pricing

Respondents shall offer pricing in accordance with the Mandatory Pricing Form provided in Part 10. TWIA will not make any payments to the Selected Respondent for any costs incurred by the Selected Respondent that were not included in the Respondent's pricing sheet and not approved by TWIA. 4.4 Travel Costs.

TWIA will not reimburse travel costs or costs for meals, lodging, or any other out-of-pocket expenses incurred in conducting the work required under any contract resulting from this RFP. All travel related expenses shall be borne entirely by the Selected Contractor, with the exception of required travel to TWIA Board of Directors' meetings.

4.5 Standards of Performance

4.6 Public Information Act Disclosures

TWIA is subject to the Texas Public Information Act (PIA), Texas Government Code Chapter 552. The Proposal and other information submitted to TWIA by the Respondent are subject to release as public information by TWIA. The Proposal and other submitted information are presumed subject to disclosure unless a specific exception to disclosure under the PIA applies.

- a) If it is necessary for the Respondent to include proprietary or otherwise confidential information in its Proposal or other submitted information, the Respondent must clearly label that proprietary or confidential information and identify the legal basis for confidentiality. Merely making a blanket claim that the entire Proposal is protected from disclosure because it contains some proprietary information is not acceptable and will make the entire Proposal subject to release under the PIA.
- b) In order to trigger the process of seeking an opinion from the Office of the Attorney General (OAG) on the release of proprietary or confidential information, the specific provisions of the Proposal that are considered by the Respondent to be proprietary or confidential must be clearly labeled as described above.
- c) Any information which is not clearly identified by the Respondent as proprietary or confidential will be deemed subject to disclosure pursuant to the PIA, and Respondent

will be deemed to have irrevocably consented to disclosure. Respondent agrees to waive any claim of infringement against TWIA and agrees to indemnify TWIA for any claims regarding the Intellectual Property Rights of Respondent or any third-party for any materials appearing in the Proposal.

4.7 Proprietary Interests and Final Work Product

All work-papers, data, materials, testimony, information, and reports developed by Respondent will remain the property of Respondent. Respondent will make working papers available to State insurance regulators pursuant to authority given them by law or regulation. Access to the requested working papers will be provided to the State insurance regulators pursuant to a request under Chapter 401 of the Texas Insurance Code.

4.8 Accuracy of the Proposal and Cost of Submitting the Proposal

Respondent's Proposal must be true and correct and must contain no cause for claim of omission or error.

TWIA will not reimburse the Respondent for any cost related to the preparation or submission of the Proposal. Respondent is responsible for any expense related to the preparation and submission of its Proposal.

4.9 Exception to Provisions

If Respondent takes any exceptions to any provisions of this RFP, these exceptions must be specifically and clearly identified by RFP section in Respondent's Proposal in response to this RFP and provided in the Executive Summary addressed in Section 9.5 or in a spreadsheet submitted as an attachment to the Executive Summary letter.

Any exception included in a Proposal may result in a contract not being awarded to the Respondent. However, if a Respondent includes exceptions in its Proposal, the Respondent shall clearly identify each exception it takes, noting the specific RFP section number, section title, detailed description of the exception taken, and the Respondent's proposed language, in lieu of the language to which exception is taken.

4.10 Responsive Information

The Respondent's Proposal must be responsive to all requirements set forth in this RFP, address how the Respondent shall meet the RFP specifications, and prepared according to the format described in this RFP. All Proposals must provide sufficient information to enable the review committee to evaluate the Respondent's ability to provide the Services described in Part 3, Description of Services/Statement of Work and to comply with any other contractual provisions described in this RFP. Responses that are general in nature and do not address how the Respondent will meet the RFP requirements may be disqualified from further consideration or may receive a lower evaluation score due to poor quality of response

5 RFP SELECTION PROCESS

Email responses to this RFP must be received at TWIA's office before the hour and date specified on page 1 of this RFP. Dates of receipt for email responses will be date shown as received by our system. In no event will TWIA be liable for responses delayed by email systems. TWIA reserves the right to evaluate responses submitted prior to the stated deadline as they are received.

TWIA will conduct a fair, comprehensive, and impartial evaluation of all proposals received in response to this RFP using an evaluation committee comprising TWIA senior executives (the "Evaluation Committee"). Each member of the Evaluation Committee will conduct an independent review of each proposal submitted and assign each proposal a score. Each committee member will score the proposal on each major criterion described below. Each Proposal will be evaluated both individually and relative to the Proposals submitted by other Respondents

The scores of all members of the Evaluation Committee will be compiled and an average score established for each Respondent. At the conclusion of the evaluations, TWIA shall determine the number of Respondents with which it will start contract negotiations. TWIA may enter contract negotiations with one or more Respondents. The evaluation committee's recommended respondent will be provided to the TWIA Board of Directors and the TFPA Governing Committee for review and consideration regarding any potential contract award.

The Evaluation Committee may request clarification of information or representations in any proposal before completing the initial evaluation. Requests for clarification and responses to requests for clarification will be in writing and will become part of the evaluation record.

5.1 Written Questions and Official Response

Respondents may submit written questions addressed to the TWIA contact person identified in Section 2.2. All questions must be received, in writing via email, by the TWIA contact person **no later than 5:00 P.M. Central Time on July 2, 2021**. 5.3 Oral Presentations

Respondents identified for the Short List may be asked to make in-person or live video presentations to the Evaluation Committee. These presentations may involve a question and answer period.

5.4 Best and Final Offer (BAFO)

Following the initial scoring of Proposals according to the Evaluation Criteria described in Part 7, and

Respondent oral presentations, if any, TWIA, in its sole discretion, may proceed in making a contract award(s), or may proceed to request a BAFO from one or more Respondents whose Proposals and scores are, in the committee’s determination, sufficient to qualify them for further consideration and negotiation.

The BAFO process will allow the requested Respondents to modify its Proposal, including original pricing or services. BAFOs would then be re-evaluated by the Evaluation Committee.

Should TWIA determine that a BAFO process is beneficial to TWIA’s interests, participating Respondents will have an established time period in which to exercise due diligence to confirm that all RFP requirements have been identified, and to prepare its BAFO. At the conclusion of the BAFO evaluations, if any, TWIA will determine the number of Respondents with which it will commence contract negotiations. Respondents not invited for contract negotiations shall not be allowed to alter their RFP.

5.5 Contract Negotiations

TWIA will have the option to negotiate with one or more Respondents, including, but not limited to pricing, services, provisions, terms, and conditions. TWIA reserves the right to continue to negotiate until the point where the best value for TWIA has been determined as achieved.
