#### Note 1 - Summary of Significant Accounting Policies

#### A. Accounting Practices, Impact of NAIC/State Differences

The accompanying financial statements of Texas Windstorm Insurance Association (TWIA) have been prepared on the basis of accounting practices or permitted by the Department of Insurance of the State of Texas (TDI). Prescribed statutory accounting practices include state laws, regulations and general administrative rules applicable to all insurance companies domiciled in the State of Texas and the National Association of Insurance Commissioners' (NAIC) *Accounting Practices and Procedures Manual* subject to any deviations prescribed or permitted by the Texas Department of Insurance.

Reconciliations of net income and policyholders' surplus between the amounts reported in the accompanying financial statement (TX basis) and NAIC SAP follow:

Net Income	SSAP#	F/S Page	F/S Line #	June 30, 2018	2017

<ol> <li>State Permitted Practices that is an increase / (decrease) from NAIC SAP</li> </ol>	20	2	5	\$114,849,138	\$279,711,104
8. NAIC SAP $(5-6-7=8)$	XXX	XXX	XXX	(436,550,753)	(\$ 741,101,266)

TDI has granted the permitted practice to allow TWIA to admit the following restricted assets associated with the issuance of Series 2014 Pre-Event Class 1 Revenue Bonds ("Series 2014 bonds") as of June 30, 2018 (see Debt footnote) to the extent that the assets do not exceed bond related liabilities. The detailed amounts are as follows:

• \$114,849,138 held in the obligation revenue fund for repayment of the Series 2014 bonds.

The restrictions are primarily due to debt service reserves and use of proceeds only when a large hurricane event occurs.

#### B. Use of Estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the amounts reported in these financial statements and notes. Actual results could differ from these estimates.

#### C. Accounting Policy

All policies issued by the Association have a maximum term of one year from date of issuance. Premiums earned are taken into income over the periods covered by the policies whereas the related acquisition costs are expensed when incurred. Unearned premiums, net of deductions for reinsurance, are computed on a pro-rata basis over the term of the policies.

In addition, the company uses the following accounting policy:

- Short-term investments are stated at amortized cost, which approximates market value. Reverse repurchase agreements are recorded in cash equivalents of the repurchase date is less than 90 day. Reverse repurchase agreements represent the purchase of a security with an agreement to resell.
- 2. through 9. Investment and mortgage loan related, Not applicable.
- 10. The Association does not anticipate investment income when evaluating the need for premium deficiency reserves.
- 11. Loss and loss adjustment expense reserves are based upon claim estimates for (1) losses for cases reported prior to the close of the accounting period, (2) losses incurred but unreported prior to the close of the accounting period, and (3) expenses for investigating and adjusting claims. Such liabilities are necessarily based on assumptions and estimates and while management believes the amounts are adequate, the ultimate liability may be in excess of or less than the amount provided. The methods for making such estimates and for establishing

the resulting liabilities are continually reviewed and any adjustments are reflected in the period determined.

- 12. The Association has a written capitalization policy for prepaid expenses and purchases of items such as electronic data processing equipment, software, furniture, other equipment and leasehold improvements. The predefined capitalization thresholds under this policy have not changed from those of the prior year.
- 13. Not applicable as the Association does not write medical insurance with prescription drug coverage.

#### D. Going Concern

Management has evaluated the Association's ability to continue as a going concern. There is no substantial doubt for the Association to continue as a going concern.

#### Note 2 – Accounting Changes and Correction of Errors

A. Material Changes in Accounting Principal

The Association prepares its statutory financial statements in conformity with accounting practices prescribed or permitted by the State of Texas. Effective January 1, 2001, the State of Texas required that insurance companies domiciled in the State of Texas prepare their statutory basis financial statements in accordance with the NAIC *Accounting Practices and Procedures* manual subject to any deviations prescribed or permitted by the State of Texas insurance commissioner.

- 1. Funds held by the Texas Treasury Safekeeping Trust Company (TTSTC) on behalf of the Association are invested in overnight reverse repurchase agreements. These invested funds represent proceeds from the issuance of bonds during 2014 and include debt service payments. The funds are held at the TTSTC to be used for debt service and the payment of catastrophe loss and loss adjustment expense. See note 1 and note 11. The reverse repurchase agreements require collateral of at least 100% for Treasuries; 101% for Agencies and US Instrumentalities and 102% for mortgage-backed securities. The fair value of reverse repurchase agreements was \$114,849,138 and \$279,711,104 at June 30, 2018 and December 31, 2017, respectively.

#### Note 9 - Income Taxes

In 2010, Texas Windstorm Insurance Association ("Association") applied for and received a Private Letter Ruling ("PLR") from the Internal Revenue Service. The PLR requested acknowledgement that the Association's income is derived from an essential governmental function which accrues to a state or political subdivision and is therefore excluded from gross income under Section 115(1) of the Internal Revenue Code ("IRC"). On August 17, 2010, the Internal Revenue Service ruled that the Association performs an essential government function and that income from that function is excluded from gross income under IRC Section 115(1).

The Association had been filing form 1120-PC tax returns with the Internal Revenue Service as a property and casualty insurance company. Under the Internal Revenue Code the statute of limitations to be assessed additional taxes or to file amended tax returns is 3 years from the later of the due date of the return (including extensions) or the filing date of the return. There are existing net operating loss carryforwards in open tax years that are not anticipated to be realized. No further federal income tax impact is expected in the future.

#### Note 10 - Information Concerning Parent, Subsidiaries, Affiliates and Other Related Parties

A. Nature of Relationships

Pursuant to the Association's Plan of Operation, the Board of Directors consists of nine voting members appointed by the Commissioner of Insurance. The nine-member Board includes three public members residing in the first tier coastal counties and representing certain regions of the catastrophe area, three non-coastal representatives residing more than 100 miles from the coast, and three industry representatives actively writing and renewing windstorm and hail insurance in the first tier coastal counties.

On October 10, 2002, the Commissioner of Insurance in Texas enacted Article 21.49A of the Texas Insurance Code implementing the Texas FAIR Plan Association. The Commissioner instructed the Texas Windstorm Insurance Association to manage the FAIR Plan.

D. Amounts Due to or from Related Parties

During 2018 and 2017 the Association paid expenses for the Texas FAIR Plan Association ("the Plan") under its management contract. The incurred expenses were \$6,874,221 and \$14,033,559 for the period ending June 30, 2018 and for the year ending December 31, 2017, respectively. As of June 30, 2018 and December 31, 2017, the Association incurred or paid expenses for which it has not been reimbursed of \$1,050,588 and \$1,426,589, respectively, on behalf of the Plan. These amounts are recognized in the statutory statements of admitted assets, liabilities, surplus and other funds as a receivable from the Plan. This arrangement is subject to a written agreement which requires that balances be settled within 30 days.

E. Guarantees or Undertakings for Related Parties

Not applicable

F. Management, Service Contracts, Cost Sharing Arrangements

During 2002, the Association entered into a service contract with the Texas Fair Plan Association (the "Plan") in which the Association is to be fully reimbursed for all expenditures, professional fees, consulting services, allocated employee time, lost investment income and other costs directly associated with the services provided by the Association on behalf of the Plan.

#### Note 11 – Debt

A. The Texas Public Finance Authority (the "Authority" or the "Issuer") has issued the Texas Public Finance Authority Class 1 Revenue Bonds (Texas Windstorm Insurance Association Program), Taxable Series 2014 (the "Bonds") on behalf of TWIA for the purpose of financing future costs in the amount of \$500,000,000. The Bonds are issued pursuant to a master resolution adopted by the Board of Directors of the Authority (the "Board") on September 24, 2014 (the "Master Resolution"), and a first supplemental resolution adopted by the Board on September 24, 2014 (the "First Supplemental Resolution", and together with the Master Resolution, the "Resolutions"). The Bonds constitute the initial series of Class 1 Public Securities of the Authority secured and payable from Class 1 Pledged Revenues irrevocably pledged under the Resolutions. TWIA has pledged the Class 1 Pledged Revenues to the Authority pursuant to a Financing and Pledge Agreement dated as of September 1, 2014 between the Authority and TWIA.

The secured Bonds were issued on September 30, 2014 for \$500,000,000 of which \$414,600,000 was outstanding as of June 30, 2018 and December 31, 2017. The bonds mature July 1, 2024 and can be called by the Seller beginning July 1, 2019. The original Bonds bear interest from 5.25% to 8.25% with an effective interest rate of 8.03%. Interest is payable semi-annually on January 1 and July 1 with the first payment made January 1, 2015. The Bonds are secured by TWIA's net premium and other revenue which is used to fund the Debt Service and related accounts held by the Texas Treasury Safekeeping Trust Company.

There are various general and special covenants. The primary covenant, which exists as long as there are outstanding Class 1 Public Securities and Administrative Expenses are incurred, states that TWIA will take actions that produce Projected Net Coverage Revenues in an amount not less than 1.25 times the Obligations due in the next calendar year and 1.25 times the estimated amount of Administrative Expenses due in the next calendar year. Another covenant, which exists as long as the Bonds are outstanding, states that TWIA will maintain the Operating bank account subject to a deposit account control agreement to maintain a perfected security interest in the Net Premiums and Other Revenue held for the benefit of the Bondholders. The deposit account control agreement is activated upon default of the debt covenants. As of both June 30, 2018 and December 31, 2017, TWIA is in compliance with these and all other covenants.

The Bonds are subject to optional make-whole redemption, in whole or in part, at the option of the Authority, at the request of TWIA prior to July 1, 2019 at a redemption price equal to the greater of (i) 100% of the principal amount of the Bonds to be redeemed or (ii) the sum of the present values of the remaining schedule payments of principal and interest on the Bonds to be redeemed (exclusive of interest accrued to the date fixed for redemption) discounted to the date of redemption on a semiannual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate plus 100 basis points, plus in each case, accrued and unpaid interest on the Bonds being redeemed to the date fixed for redemption.

The Bonds are also subject to optional redemption prior to maturity on or after July 1, 2019, in whole or in part, at a redemption price equal to the principal amount of Bonds to be redeemed plus accrued interest to the date of redemption.

At June 30, 2018 and December 31, 2017, the notes had no unamortized premium or discount. Bond issuance costs are expensed as incurred.

Interest expense incurred is recorded as an investment expense and was \$17,102,250 and \$35,354,250 for the period ended June 30, 2018 and for the year ended December 31, 2017, respectively. Interest expense of \$17,102,250 and \$36,504,000 was paid for the period ended June 30, 2018 and for the year ended December 31, 2017, respectively.

Changes in bonds payable for the period ending June 30, 2018:

Description	Bonds Outstanding December 31, 2017	<b>Bonds Issued</b>	Bonds Matured	Bonds Outstanding June 30, 2018

#### Note 13 - Capital and Surplus, Dividend Restrictions and Quasi-Reorganizations

In August 2017, Hurricane Harvey impacted the Texas Coast and impacted the Association. Ultimate loss and loss adjustment expenses from Hurricane Harvey are estimated to be approximately \$1,610,000,000. As of June 30, 2018, the deficit of the Association is \$321,701,615. Texas Insurance Code 2210 allows the Association to assess member companies relating to Class 1 member assessments up to \$500,000,000. A portion of the Class 1 member assessment approved by the Texas Department of Insurance Commissioner (Commissioner) on May 25, 2018 for \$175,000,000 was invoiced on June 5, 2018 of which \$173,638,226 has been collected as of the issuance of this statement. Further assessments will be made as needed as Hurricane Harvey paid loss development matures.

Type II - Non-recognized Subsequent Events

The Association has evaluated subsequent events occurring after June 30, 2018, the date of the most recent balance sheet, through August 13, 2018, the date the quarterly statement was issued. In accordance with direction received from the Association board of directors at the July 31, 2018 board meeting, the Association closed on a \$500 million committed line of credit with a bank on August 9, 2018. The credit facility is structured to provide the Association with additional liquidity to quickly pay losses and loss adjustment expenses in the event of a catastrophe in the 2018 hurricane season. If the line of credit is used, the loan is anticipated to be repaid from proceeds of post-event class 1 public securities.

#### Note 23 - Reinsurance

#### A. Unsecured Reinsurance Recoverables

The Association has an unsecured aggregate recoverable for losses, paid and unpaid including IBNR, loss adjustment expenses and unearned premium with any individual reinsurers, authorized or unauthorized, that exceeds 3% of the Company's policyholder surplus.

Current year changes in estimates of the costs of prior year losses and loss adjustment expenses (LAE) affect the current year Statement of Income. Increases in those estimates increase current year expense and are referred to as unfavorable development or prior year reserve shortages. Decreases in those estimates decrease current year expense and are referred to as favorable development or prior year reserve redundancies. Current calendar year losses and LAE reflected on the Statement of Income of \$166,512,654 are higher by \$157,506,855 due to unfavorable development of prior year estimates, primarily due to the increase in estimate of Hurricane Harvey gross ultimate loss and LAE in accident year 2017 as a greater number and severity of supplemental payments on reopened claims occurring in the first quarter of 2018. Increases or decreases of this nature occur as the result of claim settlements and receipt and evaluation of additional information regarding unpaid claims. Recent development trends are also taken into account in evaluating the overall adequacy of reserves. During August 2017, the Association was impacted by Hurricane Harvey. Ultimate loss and loss adjustment expenses from Hurricane Harvey are estimated to be approximately \$1,610,000,000 as of June 30, 2018. The appointed actuary for the Association has opined that the loss and LAE reserves as of June 30, 2018 make a reasonable provision for Texas Windstorm Insurance Association's claim liabilities.
